Note to Parents and Grown-ups:

Dear Parents and Grown-ups:

At the Oklahoma Center for Poison & Drug Information, we aim to encourage children to make discoveries in a safe and responsible way. No matter what age, your child can learn that the best thing to do is to ask a grown-up before he or she touches, tastes, or smells!

Please take some time to go through these coloring sheets with your child and add our phone number to your phone: 1-800-222-1222. There are qualified specialists available 24/7, 365 days a year to answer your poison and drug information questions!

Sincerely,

Your friends

Poison Smart Kids: ASK FIRST!

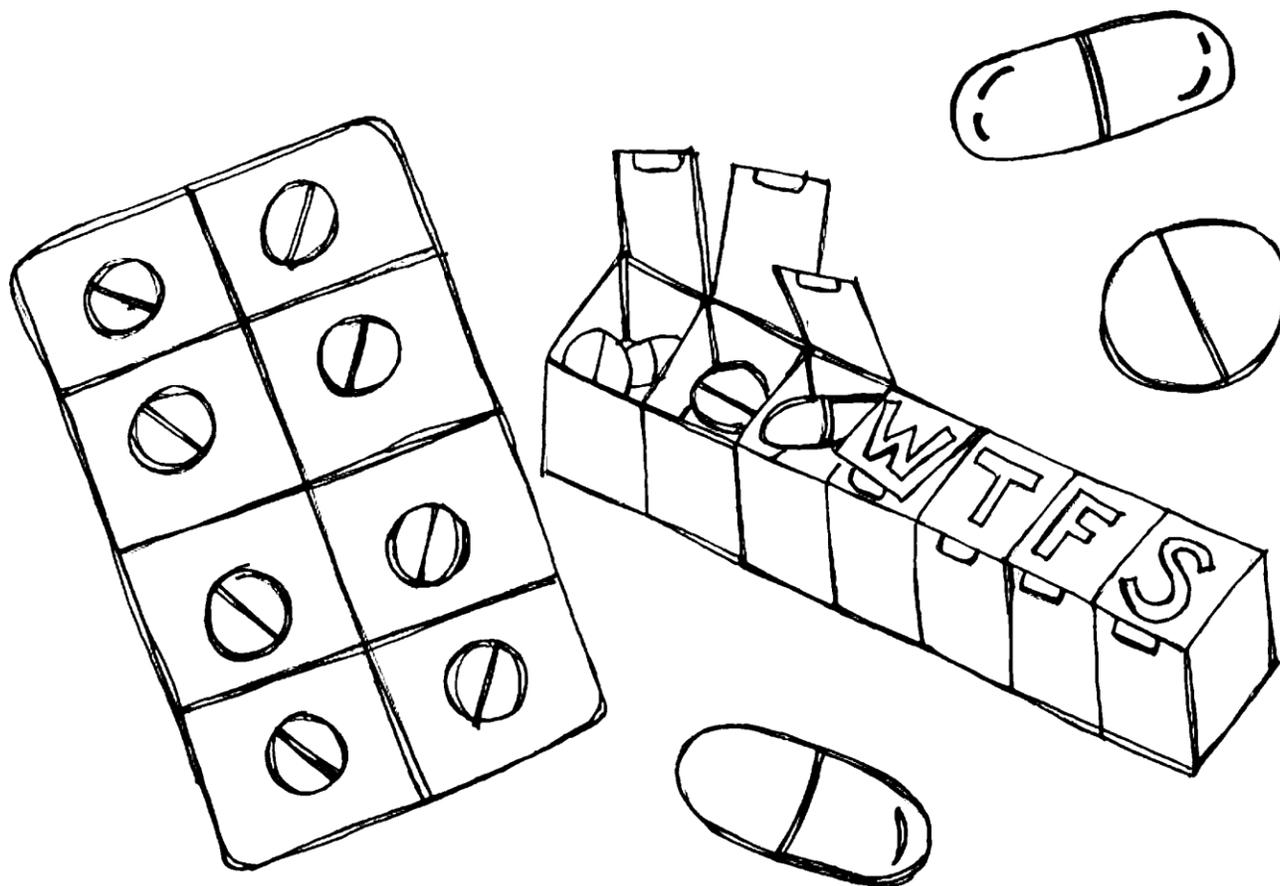

Medicine is not candy!

Sometimes medicine looks yummy.

Sometimes medicine looks like candy!

How do you know if it is safe to taste???

ALWAYS ASK A GROWN-UP BEFORE YOU
TASTE, TOUCH, OR SMELL!

Poison Smart Kids: ASK FIRST!

Cleaning supplies are not for kids!

Sometimes grown-ups clean with colorful sprays and bottles, but they have to be careful when they do.

These are only for grown-ups!

Ask a grown-up how you can help clean safely!

ALWAYS ASK A GROWN-UP BEFORE YOU
TASTE, TOUCH, OR SMELL!

Poison Smart Kids: ASK FIRST!

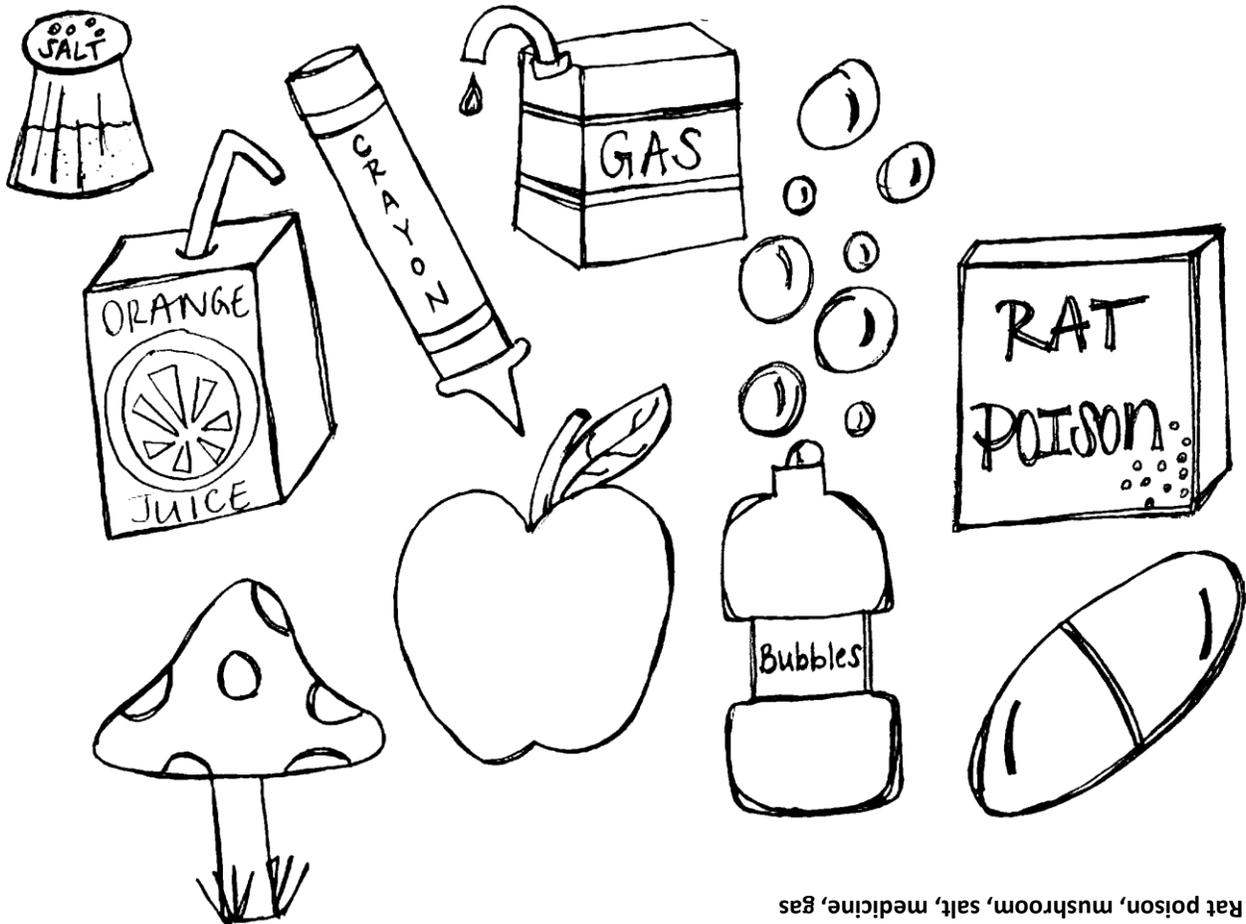

You are already poison smart!

You use things every day the right way!

Now you know:

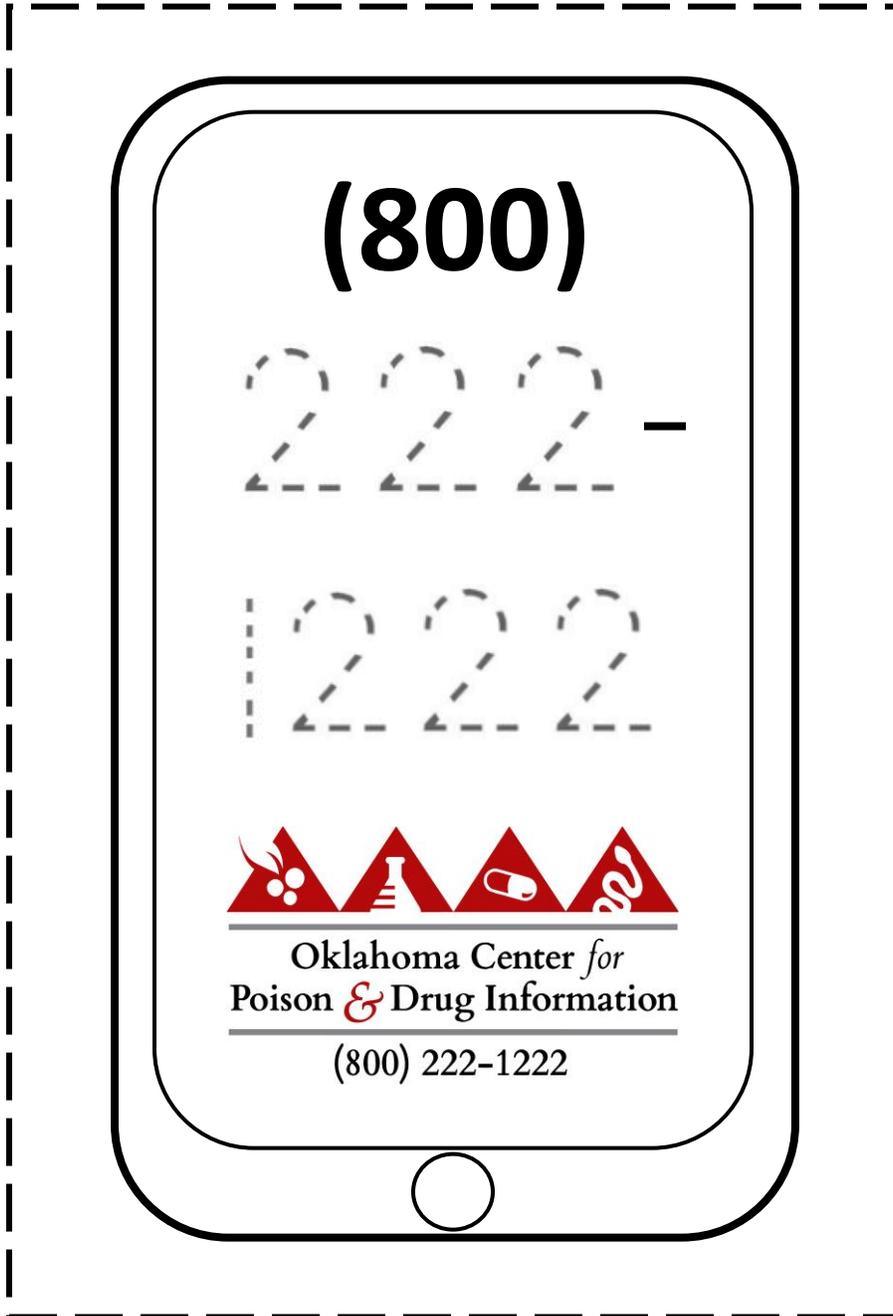

ALWAYS ASK A GROWN-UP BEFORE YOU
TASTE, TOUCH, OR SMELL!

Circle the items below that are poisonous. Ask a grown-up to help you if you don't know what something is!

Rat poison, mushroom, salt, medicine, gas

**Save our number in your phone.
Trace the number!
Then, you can color and cut it out!**

Poison Smart Kids: YOU DID IT!

Now you know to ASK FIRST before you taste, touch, or smell!

Good job Poison Smart Kids!
